

# The Feed 5,000 Project

VolunTEAMism is simply the combination of a creative problem solving, team-building activity, with an opportunity to give back to the community.

Merging volunteering and TEAM TIME to create a value-added experience to meet the needs of companies, individuals and communities.

VolunTEAMism is partnering with St. Mary's Food Bank Alliance in Phoenix and other Food Banks around the country to fight hunger and provide food to those most in need.

## TEAM Time Experiences

The activities and TEAM experiences are designed to provide your group with challenges in planning, creativity, and consensus building, as well as helping to develop better communication, cooperation and interpersonal skills.

This all happens while having FUN and committing to raise as many meals as possible for St. Mary's Food Bank Alliance.

Programs can incorporate separate teams or larger groups and can be timed to be as fast as a happy hour, or as complex as a 3-hour collaborative exercise.

An example of some of the experiences available to your organization to support local food programs are:

- The Team Chef Mix Off
- The Can Sculpture
- Golf for Food

*“People who volunteer and make a commitment to the time they spend, find balance and purpose in life, enjoy life and better teammates at work”*

GIVE TO WIN

## Great TEAM Success

Recently the Tech Group, A West Company, had 130 people participated in a Golf Chip and Salsa Challenge as part of their annual meetings. The results of the pre-dinner program were beyond expectations. Especially because everyone pitched in, not just the company.

*More than 30,000 meals were raised and donated to St. Mary's Food Bank through the commitment of Fun Coach USA, the people and the company!*

After the event, the Tech Group invited Fun Coach USA and VolunTEAMism to motivate employees throughout the company to Give to Win and restore the heart of continued Volunteering.

*“I am honored to be a part of this new wave of corporate community involvement and where it can take us”*

## FEED 5000 Group Experiences

VolunTEAMism offers a variety of ways for your group to be part of the Feed 5000 Project. Host a special party or event and we will help you with all the details. For a group activity we offer a couple of unique team experiences that will benefit this project with a minimum of 100 meals per participant. ### Design & Build It -STACK A CAN

This 1.5-2hr program allows the groups to make a sculpture using 250 boxes and cans per team. The fee for the program allows for each team to provide 250 meals for the local food bank. This experience can be held in the day or as a table top happy hour challenge.

### THE VTEAM Chef Challenge

We offer “happy hour” mix off competitions that includes “salsa”, “fruit sculpture” and “tropical drink challenge in a fast 1-hour team competition. Or, experience a Full Team Chef “dinner challenge” where teams compete to provide the best “courses” to the judges then eat their culinary creations for diner.

## ABOUT VOLUNTEAMISM

To Volunteer and contribute time, energy and efforts will restore the heart, renew the spirit and refresh the purpose of life. It's that simple! Adding TEAM to the process adds a collective good, and cause for the company and participants.

VolunTEAMism and Fun Coach USA has committed to providing **50 meals** for every participant involved in each event and challenges every participating company to match that commitment and reach or exceed our goal of 5,000 meals per event.
