THE TEAM GIVE Our VolunTEAMism Project

The Fun Factor: Invest your best resources and people along with a contribution in some needed TEAM TIME and you have a success. Fun Coach brings a message to the activity that will enhance the experience and reinforce the purpose of the project. Finally, we send your people home thinking about ways to give their time and resources to those in need in the community.

Options:

- Build A Bike
- Food Bank Sculpture
- Refresh A Home
- Plant A Playground
- Serve A Meal

Get away and Give! Come back renewed!

www.funcoachusa.com

Team Play Event Solutions Inc. announces “**VolunTEAMism**” a new Fun Coach experience for groups called THE TEAM GIVE. Fun Coach USA Franchises and Corporate Offices will focus their team building strategies and programs on giving back to the community. The Playshop will also a message to encourage participants to give of their time and resources on their own time, in their community, with their interest of choice following the experience.

Todd Davis, President and Founder of Team Play Event Solutions Inc. and Fun Coach USA. *“I have enjoyed seeing adults participate in recreation, sports and team activities for over 30 years. I can’t say that I have guided anything more valuable than people participating in Team Give Projects”.* Using our hands and hearts provides strategic solutions to vital connections needed in business today. The time spent engaging in these experiences will not only benefit the community but the People who engage in the project experience.

VolunTEAMism is the next best thing to hit the team building market place. Why? Because our Fun Coach team will manage the process, work with the charities and provide a workshop along with the experience on giving time and efforts both at and away from work. People who communicate effectively will increase their team Performance resulting in increased productivity and commitment. This process is discovered through our message of FUN, which is the core value of the FUN COACH. F.U.N. is our values. **F**=*Fellowship* or people spending time together; **U**=*Unity* or performance through trust, respect and teamwork; **N**=*Needs* of performance met for the individual and organization.

FUN COACH USA Announces VolunTEAMism!

Give till it Helps! Both for the Giver & Receiver!

“Put some energy and purpose back into your most vital resources, your people! People who volunteer, enjoy hobbies and find balance in life, make better teammates and enjoy life.”

THE VALUES OF THE TEAM GIVE

To volunteer and contribute time, energy and efforts restore the heart, renew the spirit and refresh the purpose of life. It’s that simple. Adding TEAM to the process adds a collective good, and cause for the company and participants. With the busy”ness” of business and life today, people have become disconnected with their heart, and each other. Time seems to slip away and relationships go away with the passing of time.

The TEAM GIVE will provide all the elements of a good team building experience. **Communication** by working together and cooperating to complete the project. **Commitment** to each other and the goals of the day by **Collaborating** with the charity to complete the project. **Challenge** to restore the values of TEAM, or Together Everyone Achieves More through the Fun Coach facilitation before and after the experience.

This program will change the way people think, act and feel towards each other at work and life itself.

The Process:

- Pick A Project
- Pick A Date (s)
- Tell us your time frame
- Offsite or onsite
- Give us your budget \$

We’ll DO THE REST!

Stack A Can-Sculpt a Meal “then box it and deliver it”

“combine creativity, communication, cooperation and collaboration! OTHERWISE EVERYTHING YOU NEED FOR TEAMWORK”, Then Give!

This exciting challenge will provide your group with the benefit of planning, being creative, reaching consensus then developing better communication, cooperation and people skills. This all happens while they are building a Can Sculpture as separate teams or collectively as a group. Programs can be as fast as a happy hour, or complex as a 3 hour collaborative exercise.

Each program will provide 10,000 meals to people in need. Fun Coach has an established relationship with St. Mary’s Food Bank in Phoenix.

Fun Coach Chalk Talk: Your group will be challenged throughout the exercise and be inspired to go back and make a difference in their hometown based on what they experienced.

Partners: Destination area food banks & your group of course!

Build & Plant a Playground-Give a Dream

Change the way a Habitat for Humanity project or local community park meets the needs of the kids! We also partner with Parks and Recreation Departments, Lower Income Residential and Group Homes.

This collaborative exercise will help kids get away from technology for a while and have some Play Time. We can take you out to a facility for this project or you can stay and build at a meeting site or office. But this play is serious business as you build and donate a playground to a needy cause. We have backyard to park varieties of playgrounds to choose from and budgets to fit your needs.

Let us know your time, goals and budget and we will bring it together for you. Budgets \$5K-\$25K

Options:

- Community Playgrounds**
- Backyard Play Structure**
- Swing Sets**

It's Time for the Team Give! Using our hands & hearts to help and people!

Build A Bike-Give a ride

Team Up with 4 other teams in your bike building POD and unite your resources to build and donate bikes to children. Not only will your group experience a great team experience but they will also be motivated to go back and give of their time and energies to a cause in their community. The message of taking and making time to give will be realized through this community based exercise as well as the value

Of cooperation and collaboration among team members will build a winning organization.

Fun Coach USA provides all supplies, the connection to the charity and the collaboration with your group for the presentation and message to the group.

Activity Options:

Afternoon: 2 hours

Happy Hour: 1.15 hours

“Fun Coach USA helped companies deliver over 250 bikes in 2008. Our goal is 2000 for 2009. Join US for this great cause”

Restore A Home-Give a new look

Paint. Landscape. Put in a backyard Playground. Get your entire group to Renew, Refresh and Restore a neighborhood home, group home or community center. This VolunTEAMism experience afternoon is a fast, but effective challenge. The goal is to divide up on the outside of a property and make a huge difference as we provide all the resources, and the recipients.

Fun Coach provides the coordination to make this event a success for your group. Plant a Playground and you have the makings of a home-community center makeover.

Options:

- Neighborhood Home
- Community Center
- Foster Home
- Habitat Home Renewal

Give Only one afternoon and you can change someone's home and life and yours too!

The Art of Serving-Give your time

Let's go and serve at a local area food bank. You can even enjoy our Team Chef and prepare the food for the recipients. This experience

highlights the message of time, taking and making time to serve those in need. This program not only helps the recipient but will challenge the participants to go home and look for ways to serve and help. Needs aren't always that far away from home.

Help, it doesn't Hurt!

“Time keeps us from doing things we need to and want to do. This session will restore the value of time and serving and people doing it together”
